DESCRIPTION

This ladder shelf measures 30cm x 27cm, providing a stable platform for tools, paint buckets, or standing use. It is a compact and sturdy accessory designed to enhance ladder functionality and enhances safety and efficiency by offering a reliable working platform at elevated heights. Perforated surface with evenly spaced holes, which adds grip and reduces overall weight. Its foldable support arms allow for easy attachment to the ladder and convenient storage when not in use. Made of galvanized steel, the shelf is lightweight yet strong enough to support significant loads. This product is compatible with all WORHAN ladder and most standard ladders, making it a versatile addition for various maintenance and construction tasks.
