## DESCRIPTION

*The WG6 Safe Xtra Wide & Heavy Duty Boat Wheelchair Access Ramp – Disabled and Limited Mobility is a premium foldable aluminum gangway, meticulously engineered for yachts and sailboats. Exceptionally strong (supporting up to 660 lbs of load capacity), it offers decent handling, delivering uncompromising stability and safety.*

*Crafted from seawater-resistant, high-grade aluminum, the WG6 is built to endure the harshest marine environments. Designed with a non-slip surface, integrated 4 in. wheels, an anchoring socket, and rope-ready eyelets for the included double handrail system, it ensures secure and elegant boarding every time — making it especially suitable for individuals with limited mobility.*

*A symbol of trusted German craftsmanship, the WG6 represents the highest standard of durability, precision, and long-term performance — the ultimate boarding solution for discerning yacht owners.*
